### Contoocook Village Precinct Monthly Meeting

August 16, 2011

Approved

There was a meeting of the Contoocook Village Precinct Commissioners on Tuesday August 16, 2011. The meeting was held at the Slusser Center and began at 7 P.M. Mark Hemmerlein, Bill Chapin, Kathy Donohoe, and Steve Clough were present.

Kathy presented her monthly financial report to the Commissioners. Revenues and expenses for the year were discussed. The Commissioners signed the monthly checks and bill manifests. Kathy left the meeting at approximately 7:20 P.M.

Steve went over a few issues. There was a substantial pipe break at the filtration plant but it was caught quickly and repaired by Schoch Plumbing. There has been a significant amount of rain over the last couple of weeks so there have been no usage issues and the storage tank is full. The Fairgrounds pits have been installed. The meter project is going well overall.

Dick Strickford didn't make it to the meeting but passed on word that the pond level is fine (there is about 9" of water behind the batter board). There are no other issues regarding the watershed.

Bill mentioned a small shutoff maintenance issue and Steve said that he would take care of it. It is expected that Mike Metcalf will come to the regularly scheduled September meeting and present his report on upgrade options.

The meeting adjourned at approximately 7:45 P.M.
