

TOWN OF HOPKINTON  
EDC Meeting Minutes  
3/18/09 (non-quorum)

There were four members in attendance last evening and this left us w/o a quorum, so there were no official decisions.

Present: Judy Hampe, Scott Flood, Bob Gerseny, and Glen Ohlund.

We did discuss the results on Article 19 (RSA 79-E) and the possibility of a well planned and actively recruited-for public information session in Contoocook Village, possibly in May. Maybe we could enlist a local restaurant to host to create at least one built-in attendee?

We also discussed noticing the meeting via email a week prior to scheduled meetings and if an affirmative number to constitute a quorum did not reply, that month's meeting would be cancelled. It was mentioned that the meeting was not on the Town Website Calendar.

Given the likely rise in "mil-rate" for the next year, the EDC was reminded that increasing revenue via commercial development was more important than ever.

Respectfully submitted

Glen Ohlund
