We are still waiting for Neal to give DPW permission to deliver the granite . Lee & Louise will get on the BOS agenda at the next meeting to ask if DPW could deliver a couple trucks of loam off in front of cabin #1 so the landscapers could spread it.

The Greenway trail walk will be Saturday June 13<sup>th</sup> starting at 9:00 a.m. beginning at the cabins. Heather will update the brochure, print them out then get them to Lee so he can hand them out that morning. The main cabin will be open to anyone wanting to take a tour inside. Ricardo & Louise will finish the cabinets & counter top by then and touch up areas on the logs.

We have started making a list of items that could be done by volunteers during Hopkinton Cares Day and will continue making a running list over the next few weeks.
