

Hopkinton Planning Board
Notice of Meeting
July 9, 2007

The Hopkinton Planning Board will meet with representatives of the Central NH Regional Planning Commission at 6:00 PM on Monday, July 9, 2007, in the Hopkinton Town Hall. The purpose of the meeting is to review the Build-Out Analysis for the Town of Hopkinton.

The completed analysis is intended to show the number of potential residential lots as well as the amount of developable commercial and industrial acreage available. The results will be used to evaluate current land use standards, meet demands for future needs, as well as model potential changes.

For information, please contact the Planning Department at 330 Main Street, Hopkinton, (603) 746-4487 or via email at planzone@hopkinton-nh.gov.
