The meeting was called to order at 6:25. The September minutes were approved.

Guide book update- Justin will email the guide book and everyone can select a section to update. Mark mentioned that we could ask businesses to place ads in the back of the book. Remember to pick your section to update.

The Recreation Department has just purchased a 21 foot inflatable movie screen for \$3,900.00. The department previously rented a screen for \$1,500. Justin will look into getting an outside license or a indoor/outdoor combo.

Columbia Hall is set to be auctioned off on November 20th. Justin is in the process of cleaning out and moving the Rec. Departments things. Louise suggested that the sprinkler system be dismantled and stored in the barn. She will speak to the BOS regarding this issue.

Halloween Wrap Up: Everyone agreed that the event went well. We should continue to do this event with the PTA and Women's Club. Robby, the Eagle Scout who sold the burgers made a ton of money which will help pay for the cabin renovation. Rebecca Lavoy may do a story on Robby. The Women's Club enjoyed being part of the event.

Some of the people at the Halloween event mentioned that they would like a winter event. We would have to coordinate this with the folks that plow so the snow is kept in a central area. We would focus on this being a snow event not an ice event. Some suggestions were a Snow walk, a snow race or a moonlight walk.

Justin will buy 30 tickets for Princess on Ice Show.

Outdoor Soccer is now complete for the year and was very successful.

Indoor Soccer is just now starting and is filled.

The Tennis Program has ended and was very well received.

There are plans in the works for a Bus Trip to Boston for Holiday Shopping but no date has been given.

The Stained Glass Club meets at the Senior Center on Thursdays.

Justin is still looking into a Cooking Class for Kids with Lisa Dion.

Starry, Starry Weekend will be December 4th, 5th and 6th. On December 4th we will have a Parents Night Out. Parents can drop off their kids at the Senior Center for 3-4 hours and we will provide movies and cookies.
