

Hopkinton/Webster Recycling Committee
Meeting Minutes
February 10, 2009

Present: Katherine Mitchell, Bob LaPree, Mary Leadbeater, David Lancaster, Tom Congoran.

Meeting called to order at 7:15pm

Minutes approved

Plans were made to present a PowerPoint presentation on Pay-by-Bag/SMART at the public hearing Feb. 12. Board of Selectmen chairman Scott Flood will be contacted to see if the PPP would be appropriate.

Decided to print 100 FAQ on Pay-by Bag for distribution at the various public information sessions planned to precede the annual Town Meeting. The FAQ for the Town Meeting will include a brief introduction of pay-by-bag and will be edited down to a shorter length.

The March 3 public forum will be tentative, depending on the attendance and public interest in the previous forums.

Committee members will be contacting REACH, Greener Hopkinton and the Taxpayers Association seeking their assistance in contacting their memberships requesting support for the pay-by-bag/SMART warrant article. The tasks of planned letters to editor and "My Turn" column in the Concord Monitor were not completed and will have to be accomplished by the Committee members before the next meeting.

Bob gave a brief overview of the February 5th Landfill Committee meeting he attended as a newly appointed member.

Next meeting March 10, 2009 in the Local History Room at the library at 6:30pm

Adjourned at 8:10pm
