Meeting called to order at 6:40

Minutes of February 10 meeting were approved as amended.

The balance of the meeting was spent discussing the Pay By Bag presentation for Town Meeting on Saturday, March 14. Committee members were urged to contact anyone they know who is in favor that would speak for the article at the meeting.

Last minute tweaking of the slide show was discussed.

The power point presentation (PPP) will be shown on two screens at the meeting. Mary will meet with Rick Schafer on Friday at the high school gym to set up their equipment; Bob will bring his gear on Saturday to set up on the other side of the room.

Tom Congoran, Selectman, will read the article for the public. The PPP will be presented and then Katherine will address a few anticipated questions to hopefully shorten discussion. Katherine stressed that other members are welcome to help answer questions from the audience.

All committee members were encouraged to arrive at the school about 8:00 am on Saturday to help set up, pass out information sheets, answer questions, and encourage everyone to vote YES. The Compost Bin sale will also be set up in the cafeteria.

Adjourned at 9:10pm
