Passed over approving March meeting minutes until the May meeting

Discussed potential new members and process to join the committee

Decided to change our meeting day to the 3<sup>rd</sup> Wednesday of the month to avoid conflicting meetings for members. Meetings will be held at the Library through August, then a new venue may be needed.

Mary reported on this year's compost bin sale. Not as popular as in the past so we will probably skip next year since there are other local groups conducting sales

Reviewed Bob's letter re April 9 selectmen's meeting -- Pay by Bag discussion about the possibility of using coupons or stickers. Bob and Mary plan to meet with Neal Cass to discuss bag issues.

Sara is going to look into organizing a trash pickup day for Earth Day weekend.

Members are encouraged to bring recycling promotion ideas to the next meeting.

Adjourned at 7:55 pm

Next meeting: May 16, 7:00pm at the Library, Local History Room.
