Approved

Present: Mary Leadbeater, Sally Embley, Rosalie Smith, Anne Yonkers and Sara Persechino (Selectboard Rep)

Called to order: 7:15 pm

April and May minutes approved.

Sara updated us on topics that the new Hopkinton Trash Committee will be looking into. They meet twice a month and their first report is due to the Selectboard on November 1. She also reported that Steve Clough has been away so Neal Cass has not discussed Swap Shop with him.

More brainstorming on projects for America Recycles Day in the fall. Perhaps a Recycled Art demo and project(?)

Adjourned at 7:45

Next meeting will be Wednesday, July 16, 2014, Local History Room at the Library at 7:00pm if enough members are in town.
