Introduced Jean Weld, new member, to the Committee.

No updates about either Refuse Disposal (no July Meeting) or Trash Study Committees.

Rosalie offered to connect Susan Covert and Jolene at Transfer Station about sending out notice of the newer/updated Recycling Brochure.

Ginni shared photos of the recycling set-up at the UNH Dairy Bar. The committee agreed that it looked like a good set-up for the HMHS cafeteria. Great poster showing what is recycled and where to put the different items. The committee hopes to share with the Interact Club when school starts. Ginni will ask a friend at UNH to get more details from the school.

Rosalie went over some of her thoughts and progress for America Recycles day in November. More detailed discussion at the August meeting.
