I The minutes of the April 3, 2012 meeting were approved as written.

II Update on the Road Surface Management System. John Thayer reported that the town had been approved by the CNHRPC for this system. Total cost of \$150.00 will be paid by the State of New Hampshire. He expects this system to be demonstrated sometime in late June or early July.

III Discussion of RFQ for Engineering services. John Thayer reported that 17 engineering companies had responded. IV Road Striping. Lester suggested we look into the possibility of stripping some of our paved roads. He has heard from a few citizens that would like to see this done. After discussing this, it was decided to ask Police Chief Pecora to attend our next meeting for his input. Also John Thayer will check on cost of stripping per foot.
