

MINUTES ROAD COMMITTEE MEETING JUNE 25, 2013  
Approved July 30, 2013

Meeting was called to order at 7:05PM. Those attending were: John Chandler, Scott Coen, Lester Cressy, David White, Selectman Ken Traum, and Supt. Of Public Works John Thayer. Kent Symonds arrived at 7:50

I. We discussed projects planned for this year, Paving: South Rd., Old Putney, Moss, and Part of Hatfield.

Reconstruction will be on Hutchins Hill and Hatfield. Hutchins Hill will be reclaimed entirely, and Hatfield will be reclaimed from Moran Rd approximately 1500 ft North.

II. Pine St Drainage. During a recent cloudburst it was reported the catch basin in front of the Jones property had water coming out of it and flooding the Jones yard. John Thayer checked the pipe as best he could after this report, and could not find a problem. He intends to have E.J. Prescott check it further.

III. We discussed making a list of roads that need rebuilding or repaving for the next 5 or 6 years, so that we could be planning better for budgeting purposes. By doing this, with cost estimates, we hope to ask the town for more money in the future so as to be able to improve our road system. Many years of under-budgeting has caused our roads to deteriorate so that many of them can not be plowed properly.

IV. Highway Garage: John Thayer reported that work is progressing on schedule, walls are up, part of the floor is ready for concrete. Should be complete and ready for occupancy by October.

The meeting adjourned at 8:30 PM

Our next meeting will be July 30, 2013 at the Library at 7:PM

These minutes were prepared by Lester Cressy, and are not official until reviewed and approved at our next meeting
