

**DRAFT** MINUTES OF ROAD COMMITTEE MEETING SEPTEMBER 20, 2015

The Road Committee met Sunday morning at 8:AM to take a ride around town to look at some proposed projects for 2016 and beyond. After reviewing the list provided by DPW Director Dan Blanchette, we decided looking was not necessary as we all were familiar with the areas. Dan wanted our input and opinion of his list, before he went further with his budget for next year. We all agreed he had come up with a good list if money could be raised to do them.

Those attending were: John Chandler, Lester Cressy, David White, Dan Blanchette, And Selectman Ken Traum, who provided muffins for all of us.

Meeting adjourned at 9:05 AM.
