

DRAFT MINUTES OF ROAD COMMITTEE MEETING JANUARY 26, 2016

Meeting was called to order at 7:05. Those attending were: John Chandler, Lester Cressy, Kent Symonds, David White, Dan Blanchette DPW Director, and Ken Traum, Selectman. Absent was Scott Coen, excused.

The entire meeting was a discussion about the proposed bond issue, and how to go about getting the work done. Lester reported he had visited Weaver Brothers Construction to see how they have done work in other towns. There is no RSA in New Hampshire that requires a town to put this type of work out to open bid. If there is only municipal tax dollars involved, they have given an estimate, and done the work on an hourly basis plus materials. Any materials such as culverts or anything else that can be bought by the town, can be supplied by the town saving money.

The general consensus of all committee members was, we should try to do the work with this company, as they are a local company, known for their good work ethics. Ken asked if anyone at this meeting would have any financial gain by this, and the answer was no.

Ken agreed to bring this proposal to the Board of Selectmen for discussion.

No other business was discussed.

Meeting adjourned at 8:20PM

Minutes written by Lester Cressy, and are not official until reviewed and approved at our next meeting.
