

DRAFT MINUTES OF THE FEB. 28, 2017 ROAD COMMITTEE MEETING

The meeting was called to order at 5:35PM. Those attending were John Chandler, Lester Cressy, David White, Jeff Yale, DPW Director Dan Blanchette, and Selectman Ken Traum. Chris Boudette was absent (excused).

We discussed the problem with some of the street names and numbering in town. This is causing problems for the Fire Dept. especially when Mutual Aid is called in for emergencies. Also, delivery people get confused with two different Main Streets and two Hopkinton Roads. It was decided Jeff should meet with the Board Of Selectmen after Town Meeting to discuss this, to see if they want to have this addressed.

Dan updated us on what he is hoping to do for projects this year. The Rollins Rd. and first Briar Hill Rd culverts should be done this summer. He also updated us on the purchase of the new sidewalk plow, grader, and Transfer station loader, which has been approved by the BOS, subject to Town Meeting approval.

Lester informed the committee this will be his last meeting as chairman. By consensus it was agreed Chris Boudette should be chairman, and he will be sworn in at the next scheduled meeting.

The meeting was adjourned at 6:40PM.
