Board of Selectmen Nonpublic Meeting Minutes – Session II November 7, 2011

Chair of the Board of Selectmen Jim O'Brien called this Nonpublic Session to order at 8:30 p.m. on Monday, November 7, 2011, in the large meeting room at the Town Hall. Those persons present were as follows:

Members Present: Jim O'Brien, George Langwasser, Tom Congoran and Bryan Pellerin.

Staff Present: Neal Cass (Town Administrator)

The Board reviewed its discussion with Gary Rondeau and decided that he should do his testing and depending on the results, the Board is open to discussing the possibility of him connecting to the community well. He would have to pay the cost of the connection and there would be a charge for water. The well has the capacity and is presently meeting all the standards of the public water system so there are no issues with adding additional homes to the well.

There being no further business, Selectman Congoran moved that the Board exit nonpublic session and Selectman Pellerin seconded the motion. There being no further discussion, Chair O'Brien called for the vote. All members present voted in favor (4-0) and the Chair declared the nonpublic session concluded at 8:47 p.m.

Selectman Pellerin moved that the minutes of the just concluded nonpublic session be sealed for a period of one year. Selectman Langwasser seconded the motion. Chair O'Brien called for the vote. All members present voted in favor (4-0) and the Chair declared the motion carried.
