Old business

The revolving fund is used for events for the town

Balance from programs goes back into revolving fund

The general fund is from tax dollars raised by the town

Rental fees go into a separate fund

If money is received for specific item or in memory of a person, the item will be purchased from the revolving fund and labeled in the person's name – money

With no particular item can be put into the trust fund

Publicity

Monthly calendar could be placed or posted in locations around town – ie Post Office
Town bulletin board, library etc. Elaine Millerick said she would be willing to do this.

The Slusser Senior Center is listed in the Concord Hospital publication

If leaders of program – bingo, exercise, line dancing etc. – give Jessica a short write-up

She will forward it to the Concord Monitor

Open House

So far three people have signed up to be on the committee. Jon Hunt will call them and set up a meeting with Jessica.

New Business

Calendar for October

Trays for movies – it has been suggested that we have tray tables for movies to put refreshments on. Gloria will check prices or perhaps look at flea market for some
And keep Jessica informed on progress

Volunteer Coordinator

The question came up – do we need a coordinator? Some of the reasons stated

1. Lack of communication between volunteers and director
2. Not enough training for desk volunteers
3. Finding subs for front desk in the absence of scheduled person
4. Form a welcoming committee – Alita and Elaine M. volunteered
5. Set up mail box for June to send thank you notes (already done)

Jessica stated that she did not see the need for a coordinator – she felt that all the issues were being taken care of

Citizen's Forum

Lillian would like to set up a group called “The Lunch Bunch”

12 to 15 people to take care of one meal a month

They would decide the menu and provide workers

Some suggestion for the Lunch Bunch to provide

Bring a guest

Have entertainment after lunch – games, music, dance demos etc.

Quilters could make aprons for the group

Next meeting of October 21,2013

Adjourn – Motion was made by Jon and seconded by June to adjourn – affirmed

Gloria Symonds
Secretary
