Review and approval of November minutes: Janet moved that the minutes, as corrected be passed. June seconded the motion and the minutes were approved.

Old Business:

Jon has been working on discarding some of the books in the downstairs library. He asked that other people look at the books on the floor next to the stereo and put what you would like saved on the table. Jon will put the saved books in order when the discards are done.

We should suspend the book swap until February. Maybe a new system is needed. People are not swapping the same number of books as they take out.

Everyone who comes into the building should sign in.

It has been brought up before that the volunteer on duty should have a master key to all offices and supply closets etc. so that when a service person – ie. Elevator man. oil man etc. needs access to a room he/she will be able to open the area.

Janet commented that we should not be able to access Jessica's office because confidential records are kept there.

Garrett is the contact person for services.

Joanne said there should be a volunteer's meeting at the end of January. The committee should come up with an agenda.

The training is for all volunteers

Janet suggested the meeting be on Wednesday because most volunteers are here on that day.

New Business: The calendar for January was discussed .Front of calendar should be for Senior events only. Programs after 4:30 should be listed on the back of the calendar

Jon stated the the game room should be open every day.

Other Business: Events after hours could be advertised in the Sunday Monitor column.

Citizen's Forum: None

Adjourn: June moved and Jan seconded a motion to adjourn. Meeting adjourned @ 2:15pm. Next meeting on Feb. 16.2015 @1:30.
