Old Business:

In the future, if there are left overs it will be announced that there are take outs and a donation will be accepted. It was suggested that the kitchen doors be closed to keep people from the area while the kitchen crew is preparing the meal or cleaning up after the meal.

Calendar for June:

Jon Hunt will be in charge of the Father's day program.

Women's pool will be held on Tuesdays at 10:00 am.

Prof. Wasserman from Franklin Pierce College would like to come to the Center with some of her students to do testing for balance and strength.

The senior to senior prom has not been finalized.

New Business:

A discussion on trips – because of the cost of hiring a large bus Paula researched shorter or smaller bus availability. She has been able to get discount prices on programs at the Verizon Center with participants providing their own transportation. Through the Henniker program there is going to be a trip to Quechee Gorge in October at a price of \$89.

Sara is researching trips through Concord Coach.

We are still looking for someone to volunteer to decorate at the Center.

Paula stated that seniors are welcome to attend all recreation events and meetings.

Citizens Forum:

Lillian: Do we have a set of By-laws?

Should everyone who attends the Center fill our at membership form? Perhaps the form should be in more prominent place. Explain to the person why it is important to have a form on file.

Merle: The dining room looks beautiful at lunches. Also, the benches look nice out front.

Lillian: She would be willing to organize a yard sale if there are enough volunteers. She thought that it would be nice if we had an awning for the porch

The next meeting will be June 15th.

Adjourn:

The motion was made and seconded to adjourn.
