

DRAFT Minutes of the September 27, 2016 Road Committee Meeting

Meeting was called to order at 7:03PM. Those attending were: Chris Boudette, John Chandler, Lester Cressy, David White, Jeff Yale, Dan Blanchett DPW Director, Ken Traum Selectman, and advocates of COMPLETE STREETS POLICY, Natalie Duval, Larry Keniston, Tim Blagden, Dave Luneau, Cleve Kapala, and Lucia Kittredge.

There was a discussion of the Complete street policy, with several questions from the committee members. One of the major issues was the title POLICY instead of GUIDELINE. Some members felt the town would not be able to make all streets/roads COMPLETE STREETS, and if there were not good reasons for not doing so, would the town be liable if there was a problem/accident. It was decided to hold off on a vote of the committee until our next meeting in order to explore and review the draft policy.

Next we heard a report from Dan on the construction and paving projects he was doing. Final paving on Pennacook Rd was complete, final paving on Kearsage St is scheduled for Oct. 9, pending good weather.

Meeting adjourned at 8:45PM, after which we were served delicious apple crisp made by Chris Boudette's wife.
