Eversource	\$14.89	
Eversource	\$16.32	

Leland Wilder presented a history of the HVP Clock, which sits in the Hopkinton First Congregational Church tower. The HVP owns the clock mechanisms, weights and shafts that run the hands. The First Congregational Church owns the clock face, clock #s and wooden clock hands. The First Congregational Church owns the Paul Revere Bell in the tower.

Lee stated the clock needs maintenance, either do a minor cleaning in place or a major thorough cleaning taking the clock completely apart and done at the clock repair shop, then completely reassembled back in the church tower.

Suzi will research the insurance on the clock, also liability coverage through Primex.

The meeting was adjourned at 8:45 pm.

The next HVP Meeting will be held on April 18, 2019 at 7:30 pm at Hopkinton Town Hall.
