MINUTES FOR THE HOPKINTON VILLAGE PRECINCT MEETING

September 15, 2022

IN ATTENDANCE:

- ❖ Nick Casolaro, Comm., Chair
- ❖ Thomas Lipoma, Comm.
- ❖ Matt Klein, Comm.
- ❖ Suzi Calley, Treasurer
- ❖ Victoria Bram, Clerk

MEETING MINUTES:

The meeting was called to order at 7:50 pm by Comm. Casolaro.

The Commissioners reviewed the HVP meeting minutes from July 21, 2022. Comm. Lipoma made a motion to approve the minutes. Comm. Casolaro seconded the motion. The minutes were approved by unanimous vote.

Suzi Calley reported that she will ask Eversource to re-designate the electric meter at the old Hopkinton Fire Station and reconnect the power flow to the building.

The one bill payment for August was to Eversource for \$706.59.

Comm. Lipoma reported that the proposed plan to change the traffic pattern at the intersection in the center of Hopkinton will start mid-October. He reported that the Department of Public Works will be present to assist as the barriers are set-up. Comm. Lipoma reported that the State Department of Transportation had a plan in place to update the intersection for more than 20 years to tackle issues of drainage, parking and speeding vehicles. The Economic Development Director will seek Federal grants to build the greenspace in the center of the intersection.

Comm. Casolaro reported that Rick Desmarais of the Hopkinton Village Water Board has reached out to say that Thomas Morin is interested in amending the proposal from a deed-restriction to a land swap, the details of which were first discussed at the HVP Annual meeting in March 2022. The Commissioners agreed not to pursue the land swap concept at the time of the meeting, but also to continue the conversation with the Water Board and Mr. Morin.

Comm. Lipoma reported that he will have the updated Precinct zoning ordinance draft ready for the Zoning Board to review at their next meeting.

Meeting adjourned at 8:32 pm. The next HVP Meeting is Thursday, October 20th at 7:30 pm at Hopkinton Town Hall.
