 - o Carole asked if the center is covered by insurance if something happens to a visitor when the center is closed; Paula said yes.
 - o Carole suggested that if the doors are unlocked, then people should be allowed to come in, but activity groups should not make advance plans to come in if the center is scheduled closed.
 - o Carole proposed an unofficial vote on this issue; the vote was unanimous that if the center is closed, it is closed to all regularly scheduled activities with no exception.
- Snowshoeing is going well; participants meet at the green gate behind the center and go out as a group.
