Old Business:

- The clock has been set up and running. Clock maker thinks that it may need a new mechanism which could cost about \$600. He said to wait and see how it does after running for a while.
- Paula will move the vacuum to the closet and volunteers can use the one in the conference room if wanting to help clean
- Repairs have been done to the door/window. We are waiting on a painter.
- Line dance instructor options have been investigated.

New Business:

- Find a volunteer to paint the bench out front.
- Looked at possibility of carpeting the dining room as the tiles are in rough shape. Discussed getting multiple options and looking at industrial tile. This is not urgent, so Paula asked all to look at tile carpets when out. We discussed the pluses and minus of carpet.
- Marilyn will make Halloween lunch appetizers, encourage costumes, and have give-aways
- Rotary and Interact will sponsor "Got Projects" for October 27.
