Old Business:

The Council will wait to discuss new council members when we have more applications to review.

The new refrigerator is in place and working well.

New Business:

The Slusser Center freezer broke a few days after the last meeting and all food was lost in the freezer. A new freezer was delivered from Kittredge. We will look into getting the vaccine truck back at the Center to administer booster shots in the future.

We still need a Thursday afternoon desk person.

The knitters and crocheters have been using the room downstairs.

Marilyn is considering doing a Christmas centerpiece program in December.

Hobart will be coming out to give a stove set up pilot light adjustment and overall set up.
