### Old Business:

Greg spoke with Jon Hunt about the electrical needed for an electric stove. Greg also had an electrician come look and is waiting on an estimate. Jon discussed the pros and cons of electric vs. gas.

The new blind in the dining room is up.

We are opening the Slusser Center for in person classes and programs starting May 3.

### New Business:

Opening Slusser on May 3- 3ft for some games. We will make all distance 3 ft. masked. Yoga outside limits those who want to be inside and with zoom. We will keep phase 1 as inside masked with zoom. Bingo can use a microphone if needed. All agreed no indoor lunch until much later, maybe fall. It is too soon to be unmasked (esp. if we cannot require vaccinations) in close proximity with multiple households mingling, sneezing, coughing, etc. We need to see the surge go down, more people vaccinated, social distancing eliminated.

### Other Business:

The next meeting will be on May 17, 2021 at 1:00pm in person.

### Adjourn:

On a motion made by Gloria, seconded by Marilyn, the meeting adjourned at 1:55 pm.
