

Hopkinton Village Precinct Water District Meeting Agenda

August 16, 2021, 6:30pm

- Finance Update
 - A/R and A/P, review, and signatures.
 - Other financial topics for review.
 - Waiting for invoice from Dubois King. Invoice for painting expected.
 - Loan progress.
- Thomas Morin Lot Lines Adjustment Discussion
 - Report back from Scott Clang, Drinking Water Circuit Rider at GSRW.
- Project Status
 - Painting complete.
 - Insulation and electrical - planned for this Thursday. Insulation dropped onsite.
 - Last commit by Joe was project completion in September.
- New Water system connection on Briar Hill, WSO+ in touch, Dig Safe marked.
- WSO+ maintenance issues – drip pan about to overflow, low battery in flow meter.
- Haven't heard back from DES on the Asset Management Grant status
- Meter reading for September – Rick; Meter reading for October – Mike.
- Testing: No update on chemical waiver. No update on PFAs waiver; PFAs testing nearly complete. Manganese limit at 0.3mb/L starting in July 2022.
- New grants/loans; looking into additional sources focused on drinking water quality and security.
- Actions from Site Meeting on May 15
 - Sandy looking into costs to replace the locking top on the monitoring well.
 - Rick purchasing locks, holding off until new building in place. Move to To-Do list.
- Start the process of points re-assessment; customer list and sign up. Would be helpful if we did a few this year to get this started.
- Other business.
