

# Hopkinton Village Precinct Water District Meeting Agenda

November 16, 2020, 6:30pm

- WSO Issues – I need to keep following up with Charlie
  - Project update from Joe
  - Weekly inspection results data
  - Meeting with Andrew to address concerns
  - WSO check pumps and feedlines
  - Sanitary inspection of the well site
  - PFAs Testing – automatically happens through Eastern
  - New water testing schedule
- Finance Update.
- Drought Update and Water Ban Status Discussion.
- Emergency plan – March 2021.
- Chemical waiver – no update from Josh or the state.
- Bigger Issues:
  - Still working on spreadsheet – added 2021 and 2022
  - Adding sort of a running balance
  - Any reasonable increase amount will not make much impact, starting at \$63k/year income
  - Why does water sales vary so much month to month?
  - Loan service; what we have now and costs, new loans and costs
- Grant for asset management plan and mapping
  - Mid-Dec for grant; must match with HVP funds; maybe 10K?
- History of the Water System – Review of artifacts with Heather at the Historical Society
