

Hopkinton Village Precinct Water District Meeting Agenda

September 20, 2021, 6:30pm

- Finance Update
 - A/R and A/P, review, and signatures.
 - Other financial topics for review.
 - Loan progress.
- Thomas Morin Lot Lines Adjustment Discussion
 - Report back from Scott Clang, Drinking Water Circuit Rider at GSRW – still need sample.
 - Tom surveying in progress.
- Project Status
 - Meeting with Joe Thursday, 6:30 at the town hall.
 - Need to look for a way to accelerate the work on this project to complete this year.
- Complaint of smell in the water on South Rd, seems to have been temporary.
- Billing for Mark York for addition to water system.
- Organizing the kickoff for the Asset Management program; draft this week, start next week.
- Meter reading for October – Mike; Meter reading for November – Sandy.
- Testing: No update on chemical waiver. PFAs testing should be done, will ask Joe for status on both when we meet.
- New grants/loans; looking into additional sources focused on drinking water quality and security, current is one focused in security.
- Start the process of points re-assessment; customer list and sign up. Would be helpful if we did a few this year to get this started.
- Do we need to update the LED light in the tank building – pass through after project complete?
- Other business.
