Regarding the Acceptance of Domestic Septage from the above Communities listed

1. The ASC will accept domestic septage originating in the communities listed in *Table 1*. The Superintendent may periodically add communities to table 1 as necessary.
2. Septage received at the Allenstown Wastewater Treatment Facility (AWTF) is subject to all federal, state and local regulations concerning the proper disposal of septage wastes, and shall be delivered by appropriately licensed and registered septage haulers.
3. The receipt of septage shall be limited to Monday through Friday during the AWTF normal business hours excluding recognized town holidays.
4. The ASC reserves the right to reject any and all septage that it deems objectionable, for any reason, including but not limited to any interference with the wastewater treatment process.
5. The ASC reserves the right to establish appropriate charges for septage disposal. These charges will be assessed directly to the septage hauler delivering the septage waste, and may change at anytime during the period of this agreement.
