MEMORANDUM

TO: Steve Chamberlin, Superintendent
School Board Members

FROM: Michelle Clark

DATE: November 13, 2020

RE: October 2020 Financial Statement

This memorandum offers analysis to the October 2020 Financial Statement. We are still early in the year; however, there are a couple things that I would like to point out at this time:

General Fund related

- >In looking at the revenue, we have received more payments from the Town at this time than in the prior year.
- >We have been notified that we will receive \$191,000 from the State for COVID related expenses, so I have increased the additional income not received number.
- >We had to void a check for the \$40,000 transfer to the Special Education Trust and it was not done prior to the expense report being run. Since this report, the negative amount has been removed.

Food Service related

- >Since last month we have seen the sales go up a little bit, however we are still very light.

If you have any questions, please let me know. Thank You.
